## WHO CAN PARTICIPATE?

You can participate if you:

- Are a caregiver who provides care for a wheelchair user at least once a week
- Are at least 19 years old or older

## WHAT DO I NEED TO DO?

You will be asked to attend 7 testing sessions over a period of 2 years. Each session will take 1-2 hours.

Each session involves completing a series of questionnaires.

## WHERE?

These sessions will take place either at Toronto Rehab Lyndhurst Centre (520 Sutherland Drive), at your home, or a location of your convenience.

A \$20 stipend will be provided to cover travel and parking costs for each testing session. Taking part is voluntary.
