Thank You!

Congratulations! We hope your big day is very special and enjoyable. In the midst of your celebrating, we are so pleased that you thought of Parkinson Society Central & Northern Ontario and that you are interested in our Wedding Favours program. The gift you make on behalf of your guests will be used to fund various education and support programs that help ease the burden Parkinson's places on individuals and families.

Thank you so much for your support. We wish you all the best of health and happiness in your lives together.

Wedding Favours

In this package you will see a variety of the options you have to choose from to let your guests know that you made a donation to Parkinson Society Central & Northern Ontario in their names.

These templates and the text included are only suggestions. If you would like a different size, please let us know and we can try our best to accommodate your needs. If this wedding favour is in memoriam, we can also put that person's name on the card.

We suggest a minimal donation of \$5.00 per card, but if this is not possible, alternate arrangements can be made. Once you have approved the set up and printing of your choice of template please forward a cheque to the address indicated below or call our office to make a credit card donation.

Please review your options on the next few pages and then contact Stella Recchiuti, Accounting and Administration Coordinator at stella.recchiuti@parkinson.ca or at 1-800-565-3000 ext: 3301 with your selection(s) and the amount you would like to order.

Dear Stephanie & Charles,

Congratulations! We hope your big day is very special and enjoyable. In the midst of your celebrating, we are so pleased that you thought of us and made a generous donation to Parkinson Society Canada. The gift you made on behalf of your guests will be used to help ease the burden and find a cure.

The *Information and Resource Kit for Family Physicians* provides family doctors with the information they need to be able to better care for their patients and directs them to other useful resources. Our *Clinical Assistance Community and Community Outreach Programs* provide funding for local innovative and specialized programs that provide services and care for individuals with Parkinson's who wouldn't otherwise receive that care. Your support is an invaluable resource that enables us to provided programs.
